Best Selling Fighting Games With the release of the new console version of The King of Fighters XIII, i launched a poll on my Weibo that asked what are the best Fighting Games of All Time. Here are the answers that received the most votes and the reason for choosing them. . Ikkaku vs Shun . THE KING OF FIGHTERS XIII STEAM EDITION . THE KING OF FIGHTERS XIII STEAM EDITION KOF XIII from its release in 2013 has been considered to be one of the best fighting games of all time and is praised for its incredible graphics, gameplay as well as its sound. It's not easy to find the best fighting games, but with that I feel it's good to sit back and look back at some of the most successful ones and recognize their greatness. . For the last 7 years and half, I have been playing and loving fighting games, beginning with the Smash Bros., of all games in the series my favorite was in the XIII. The inclusion of new characters in the current version makes this the best game in the series. The story line is great and I can continue the long quest or play a new story from the other characters. . KOF XIII from its release in 2013 has been considered to be one of the best fighting games of all time and is praised for its incredible graphics, gameplay as well as its sound. It's not easy to find the best fighting games, but with that I feel it's good to sit back and look back at some of the most successful ones and recognize their greatness. .
