The best way to organize your library in Papers is by using a hierarchy of manual collections. Manual collections can be synced with your iPad. You can create smart collections, but they cannot be organized into a hierarchy.

Papers lets you add keywords to your papers, but these cannot be organized into a hierarchy. If you have many keywords, the list you can choose from is getting difficult to navigate very soon.

Design elements such as cover flow and candy icons have earned Papers the title "The iTunes for PDFs"
